International Design Out Crime Conference 2009

Edith Cowan University

December 2, 2009 – December 4, 2009

The **2009 International Design Out Crime conference (iDOC'09)** was jointly arranged by Curtin University, Edith Cowan University and University Technology Sydney and held at Edith Cowan University in sunny Perth, Western Australia 2-4 December 2009..

The conference focused on research into **Design Out Crime** and the **'Tales from the Field'** of security professionals in designing to reduce crime. Participants included representatives from crime prevention, security, government, research, police, architecture and planning, product design and community groups.

To view papers and presentations, click on 'Presentations' in the menu on right. This will give you a choice of abstracts. Click on an abstract to get access to a range of reading tools and supplementary files including Powerpoint files of presentations.
